

ARTS LEGISLATIVE BREAKFAST

"Arts: The Fiber of Community"

The cultural community NEEDS YOU to show your strong support for the arts on Staten Island & hear about current art trends on Staten Island

Please join us on Friday, December 9, for "Arts: The Fiber of Community," a legislative breakfast at the Hilton Garden Inn with Staten Island's city and state elected officials to hear stories from the field and important statistics on art's economic impact. Recent research from the Cultural Data Project by Jonathan R. Peters, Professor of Finance at the College of Staten Island will be presented. This is a great opportunity to thank the city officials for their support of arts funding during tough economic times.
